PETITION TO REVIVE UNDER 37 C.F.R. 1.137(b)

Mail Stop Appeal Brief - Patents  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

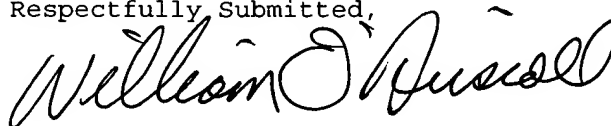

Dear Sir:

Applicant Petitions to Revive the instant application from the  
Notice of Abandonment mailed 23 October 2006, based on a failure to  
respond to the Notification of Non-Compliant Appeal Brief mailed 26 July  
2006, as the delay in responding to the Notification was unintentional.  
The Notification of Non-Compliant Appeal Brief states, without  
restriction, that "Extensions of this time period may be granted under 37  
C.F.R. 1.136". Applicant believes that the time for responding to the  
Notification can be extended, but after several telephone calls between  
applicant and the Examiner, the Patent Office has taken the position that  
this is not the case and the application is now abandoned. The Patent

office is requested to review the attached copy of the Notification and allow applicant to extend the term for response thereto. Otherwise, applicant petitions to revive this application. A Corrected Appeal Brief in three copies is submitted herewith as is the requisite Petition Fee and applicant believes that the requirements for the submission of this Petition are met. Applicant respectfully requests that this Petition be granted at the Commissioner's earliest convenience.

Respectfully Submitted,
